

## **Transition Capital Partners Exits Option 1 Nutrition Solutions, LLC**

**Dallas, Texas** (August 22, 2007) – Transition Capital Partners, a Dallas based private equity firm, completed the sale of its investment in Option 1 Nutrition Solutions, LLC to Thompson Street Capital Partners.

The partners of Transition Capital Partners completed the leveraged recapitalization of Option 1 in May of 2004. Since that time, the company has more than doubled revenues and profits through organic growth as well as strategic acquisitions.

Founded in 2000, Option 1 Nutrition Solutions specializes in providing Enteral therapy healthcare services in the home environment. Option 1 offers a variety of supplies and equipment, as well as delivery and billing services to the Enteral nutrition market. Enteral therapy is the administration of nutrients directly into the gastrointestinal tract through a feeding tube. [www.option1nutrition.com](http://www.option1nutrition.com).

**“I found a partner with strong industry experience that could expand my company to the next level of growth. We built a dynamic and profitable healthcare services company that assumed a leading role in the industry. I not only found a partner, I found relationships, capital and expertise grounded in experience.”**

**—Jim Wiley, Founder**

### **About Transition Capital Partners**

Founded in 1993, Transition Capital Partners is a private equity firm focused on leveraged recapitalizations and management buyouts of middle market businesses. With the ability to bring capital and management resources to each investment, TCIP provides an entrepreneur the opportunity to gain liquidity while maintaining an upside stake in the business, and if desired, a reduced management role.
